SPACES**

# FULL TOP DECK

70-100 people

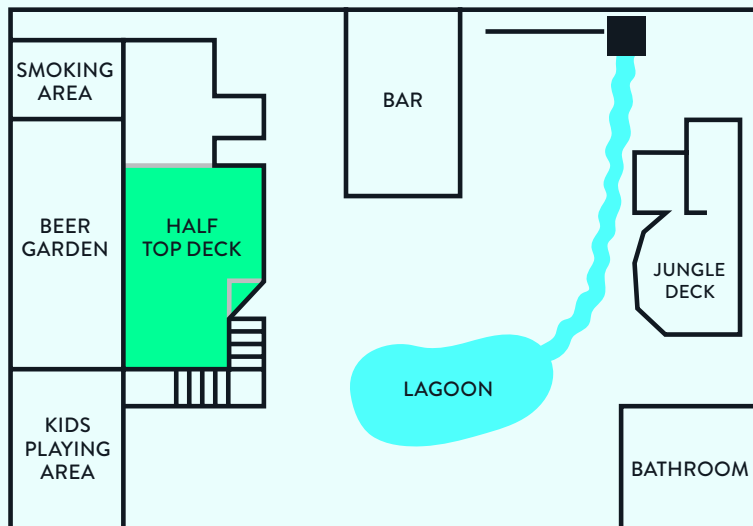

The Top Deck is our largest function area and is great for work parties and larger celebrations. It overlooks the entire venue and has options for both stand up socialising and more intimate seated events. It's accessible from either end of the area via staircases.

# HALF TOP DECK

30-60 people

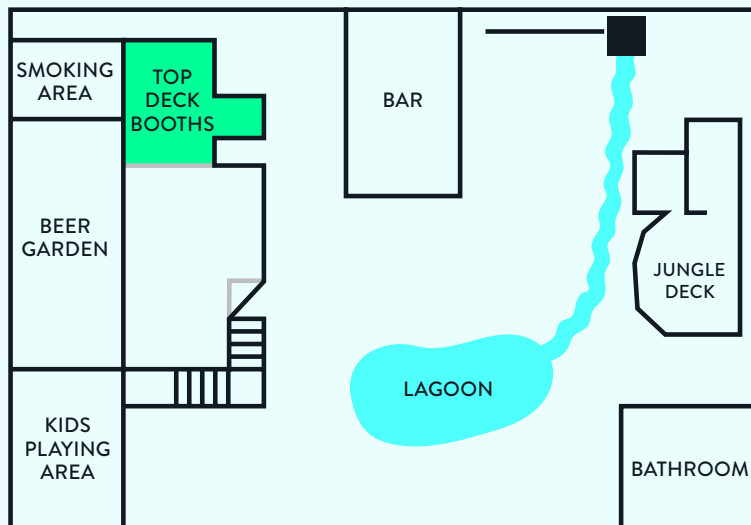

The Half Top Deck is perfect for those medium sized functions with the option of standing or seated service. It overlooks the lagoon and huge brewery windows. The Half Top Deck has its own private staircase entrance.

# TOP DECK BOOTHS

20-40 people

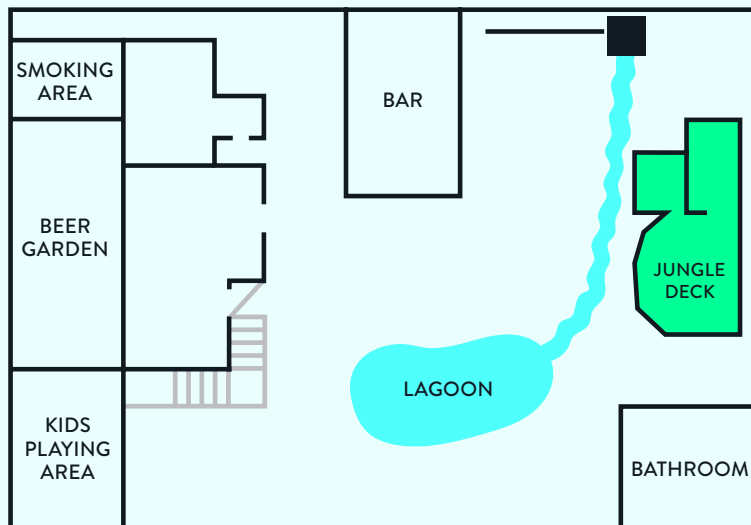

The Top Deck Booths include two large diner style booths for a more intimate setting, as well as a handful of smaller tables overlooking the bar. This area boasts a 70-inch screen for presentations or slideshows and you have your own private staircase leading up to the area.

# JUNGLE DECK

20–30 people

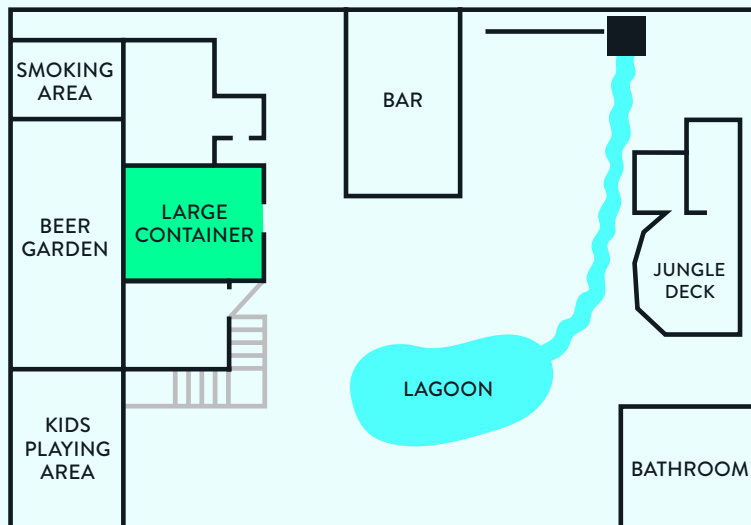

The Jungle deck is your birdseye view over Moon Dog World and the lagoon. You're surrounded by plants on your own private deck! On Friday and Saturday nights the bottom section of the Jungle Deck is allocated to DJs which makes this the perfect VIP party area, but on weekdays the whole area is bookable which means we can accommodate slightly larger groups!

# LARGE CONTAINER

20–50 people

The Large Container makes a great home base for your group. It has two booths, stool seating on the counters and the possibility to spill out onto the main bar area with the addition of barrels. It's also right next to the bar!

# SOME ANSWERS TO YOUR QUESTIONS!

## **How long is my function?**

Functions are a standard 4 hours, but you are more than welcome to extend your function if there is availability.

## **Is my space private?**

Our spaces are semi-private and are a part of our whole venue. That means your space is reserved just for you, but you'll be using the same bar, bathroom facilities, etc as the rest of the venue.

## **What's the music situation?**

### **Can I play my own music?**

As our function spaces are semi-private and part of the whole venue, we are unable to play separate music for functions.

This also means we cannot have outside entertainers (such as clowns, magicians, etc).

We play music that appeals to everyone and have DJs every Friday and Saturday night!

## **Do you have alcohol other than beer?**

Of course we do! Our bar is stocked with our Fizzer seltzers, wines, and spirits and non-alcoholic beverages.

## **Can kids come?**

Children are more than welcome to attend our venue! All children under the age of 18 must be accompanied by a parent, guardian, or responsible adult.

Persons under the age of 18 are asked to leave the venue at 11pm.

## **How much does a function cost?**

Costs depend on the space, day and length you would like to book. Get in touch to discuss!
